

1. Open the slide show of your choice.
2. Use the controls at the bottom of the page to control the show; otherwise it will run automatically.
3. When you want to save, print or send a picture via email, use the control in the lower right.
4. Clicking on the box with a check in it will open a new window; the slide show will continue to run.
5. If you right click (click using the right button on the mouse) a list of options will open.
6. From here you may print a picture, save it to your computer or email it to anyone.
7. When you are finished, click on the box that says close and the window will disappear.
